

Poster und Abstracts 2003 – 2009

(in chronologischer Reihenfolge)

2003

Ettlin Th.

**Myofascial Pain Syndrome after Whiplash Injury of the Neck
Follow-up Report 2002/2003**

Jahrestagung Wissenschaftlicher Arbeitskreis Muskel und Schmerz, München, 15.-16.06.2003

Ettlin Th.

What is really behind neuropsychological dysfunction in the whiplash syndrome?

International Whiplash Trauma Congress, Denver, 06.-12.10.2003

Grunder B., Brüderlin A., Stange V., Kaeser H.E., Kischka U., Ettlin Th.

Fitness for work in late whiplash syndrome: Longterm efficacy of an inpatient multimodal treatment evaluated on 197 patients at Rehaklinik Rheinfelden Rehabilitation Centre

European Neurological Society. Istanbul, 14.-16.06.2003

Gurd J., Osborne H.A., Castling C., Leeson R., Leinonen E., Kischka U., Weir A., Ebers G.C.:

'Miss Grace': Cognitive estimates about the self: pragmatic deficits

European Workshop on Cognitive Neuropsychology, Bressanone, 30.01.2003

Schreiber T.U.

Range of motion, pain and quality of life - correlations and implications in several musculoskeletal diseases

2nd World Congress of the International Society of Physical and Rehabilitation Medicine – ISPRM. Prag, 18.-22.05.2003

2004

Grunder B., Brüderlin A., Stange V., Kaeser HE., Kischka U., Ettlin Th.

Fitness for work in late whiplash syndrome:

Long-term eddicacy of an inpatient multimodal treatment evakzated on 197 patients at Reha Rheinfelden Centre

Rehabilitation Schweiz 2004, Interlaken, 22.-23.4.2004

Schuster C., Brüderlin A., Boeddrich C., Hennen K., Sutter J., Fedier S., Mangold S., Keller T.

Funktionelle Elektrostimulation (FES) zur Verbesserung der Willkürmotorik der oberen Extremität

Symposium «Neurorehabilitation – angewandte Neuroplastizität», Klinik Valens, 13.11.2004

2005

Affentranger T., Regard M.

Adaptive Behaviour in Prefrontal Lesions: Hyper- and Hypoadaptation and Side of Lesion

Kongress der «International Neuropsychological Society», Dublin, 6.-9.6.2005

Schuster C., Birrer D., Mäder U.

Do psychological factors matter? The impact of psychological factors in rehabilitation after knee or hip replacement

EULAR Wien, 8.-11.6.2005

2006

Ettlin Th.

What is Really Behind Neuropsychological Dysfunction after MTBI?

Hongkong, 4th World Congress for NeuroRehabilitation, 14.2.2006. Neurorehabilitation and Neural Repair 2006; 20(1):63

Ettlin Th.

Kraniozervikales Beschleunigungstrauma – diagnostische, therapeutische und medikolegale Neuigkeiten

Rehabilitation Schweiz, Interlaken, 27.-28.4.2006

Ettlin Th.

Seminar D6: Schleudertrauma

8. Fortbildungsveranstaltung des Kollegiums für Hausarztmedizin, Luzern, 1.-2.6.2006

Eng K., Siekierka E., Cameurao M., Zimmerli L., Pyk P., Duff A., Erol A., Schuster C., Bassetti C., Kiper D., Verschure P.

Cognitive Virtual-Reality – Based Stroke Rehabilitation

World Congress on Medical Physics and Biomedical Engineering, Seoul, Korea, 2006

Amft O., Junker H., Lukowicz P., Tröster G., Schuster C.

Sensing Muscle Activities with Body-Worn Sensors

BSN2006 Proceedings of the International Workshop on Wearable and Implantable Body Sensors Networks, Boston, USA, April 3-5, 2006

2007

Balzer C., Berger J-M., Caprez G., Gonser A., Gutbrod K., Keller M.

Normdatenerhebung für eine Auswahl neuropsychologischer Untersuchungsverfahren

22. GNP-Jahrestagung 2007, Bamberg/Herzogenaurach, Deutschland, 4.-7.10.2007

Bassetti C., Brugger P., Dietz V., Ettl Th., Hermann D.M., Keisker B., Keller T., Kesselring J., Kiper D., Kollias S., Nef T., Riener R., Siekierka E.

Rehabilitation of arm function in acute stroke patients: a comparative study

NCCR, Universität Bern, 3.3.2007

Ettl Th.

Hyperalgesie durch unterschwellige nozizeptive Signale im ZNS

Das klinische Beispiel: Pathogenese und Therapie des Schleudertraumas

Deutscher Schmerzkongress, Berlin, Deutschland, 24.-27.10.2007

2008

Buslau M.

Hyperbaric Oxygen (HBO) in Treatment of Extensive Calcinosis in Associations with Systemic Sclerosis Lupus Erythematosus

EULAR 2008, Paris, 11.-14.6.2008

Buslau M., Karamfilov T.

Small Intestinal Submucosa (SIS) for the Management of Life-Threatening Skin Ulcers

12e Conference Nationale des Plaies et Cocatrisations, Préventions et Traitement, Paris, 27.-29.1.2008

Maier-Hanemann S., Schuster C., Ettl Th., Mischka S., Zueger B., Kluge C., Roelcke B.

Implementation of neurological music therapy: an opportunity for interdisciplinary collaboration in a routine setting of neurological rehabilitation

Neurorehabilitation and Neural Repair 2008, 22(5):561, 5th World Congress for Neurorehabilitation (WFNR), Brasilia, September 2008

Schuster C., Ettl Th.

The German Version of the Shiplash Disability Questionnaire (WDQ-G): Preliminary Results of the Cross-Cultural Translation, Validation and Test-Retest Reliability. Neurorehabilitation and Neural Repair 2008, 22(5):559

5th World Congress for Neurorehabilitation (WFNR), Brasilia, September 2008

Schuster C., Ettl Th.

Physical findings in patients after whiplash-associated disorders compared to healthy subjects: a crosssectional study

Neurorehab Neural Repair 2008, 22(5):559. 5th World Congress for Neurorehabilitation (WFNR), Brasilia, September 2008

Frei M., Mühlemann M., Probst T., Sigg A., Thommen F., Schuster C.

Effekt eines 5.wöchigen unspezifischen Kräftigungstrainings auf das Verhältnis zwischen dorsaler und ventraler Rumpfmuskulatur

Swiss physiotherapy conference, St. Gallen, Juni 2008

Felber D., Mischka S., Schuster C.

Klinikinterne Richtlinie zur Schienenversorgung (Casting) mit Soft-Scotch-Material von Patienten mit neurologischen Bewegungsstörungen

Swiss physiotherapy conference, St. Gallen, Juni 2008

Lacher D., Stoffel R., Schuster C., Stöcklin M., Ettl Th.

Coping, illness behaviour and ability to work in patients after whiplash injury: Preliminary results of a longitudinal study

5th World Congress for Neurorehabilitation (WFNR), Brasilia, September 2008

2009

Hahn S., Schuster C., Kujawski A., Viehweg S., Zakowski M., Ettl Th.

Translation, validity and interrater reliability for German version of the Chedoke Arm and Hand Activity Inventory (CAHAI-G).

EFNS 2009 – 13th Congress of the European Federation of Neurological Societies, Florenz, 12.-15.9.2009

Lacher D., Stoffel R., Schuster C., Stöcklin M., Ettl Th.

Coping, illness behaviour and ability to work in patients after whiplash injury: Preliminary results of a longitudinal study.

Reha schweiz congress 0-, Interlaken, 12.-13.03.2009
